

FARMERS TO OVERTAKE THE AVE! (LET'S HELP THEM!)

Attend a Community Meeting to Organize the New
6TH AVENUE DISTRICT FARMERS MARKET

Monday, April 28, 7 to 9 pm - Epworth LeSourd Methodist Church – 710 Anderson St, Tacoma

Farmers markets have the power to *transform* public places. To make passersby into neighbors. To bring the freshest farm products into the ♥ of the city. To make a **celebration** out of an otherwise ordinary Tuesday evening. Come be a part of your new *6th Avenue District Farmers Market*, opening July 2008. The Ave will never be the same. Volunteers are sought for a variety of roles, big and small. Join us to learn more. Refreshments served, childcare provided.
